

ConstructionKids, Inc.
'old school tools for new school learning'
The Brooklyn Navy Yard, BLDG92, 2nd floor
63 Flushing Ave, Unit 130
Brooklyn, NY 11205

Party Host

Bring the joy of building to life in young minds in a creative and fun way.

ConstructionKids, an education enrichment company, believes children are born to build. We offer hands-on learning programs for children Pre-K to 6th grade and are seeking edu-tainers for weekend birthday parties to deliver our existing educational programs with an entertaining flare.

WHAT IT TAKES

This is a smart-entertainment position, requiring a balance of leadership, entertainment, and social polish. As a ConstructionKids representative you will host creative, fun, and engaging events. You do not need to have carpentry experience or experience working with tools as we will train you, but an aptitude for problem solving and working with your hands is essential.

Importantly, you must love to work with children ... find them funny and interesting, be interested in how they think and grow, and be knowledgeable about their social, emotional and cognitive development.

QUALIFICATIONS

- College student, college graduate, or comparable life experience
- Experience working with children ages 3-12
- Experience with activity based and hands on learning
- Ability to engage with children and adults in a welcoming, fun, friendly, and professional manner
- Excellent interpersonal and communication skills
- Proven ability to work independently and collaboratively with other educators and staff

REQUIREMENTS

- Must pass a background check
- Available to work weekends
- Candidates with valid driver's license preferred
- Prior First-Aid training preferred
- Must attend paid training sessions
